Fall River COVID-19 Update
14 Additional Residents Test Positive bringing total to 51

14 additional cases of COVID-19 have been identified in Fall River. This brings the total in Fall River to 53. The Fall River Health Department is in contact with the individuals who have tested positive as well as their contacts. These individuals are in isolation and quarantine.

We continue to encourage residents to practice social distancing. This means keeping a distance of 6ft between individuals. Continue to wash your hands on a regular basis, clean and disinfect frequently touched surfaces, and stay home as much as possible, especially when you are sick. These measures will help to limit the spread of COVID-19.

City Information:

Library: While the Library remains closed until May 4th the return receptacles are also closed. Please hold onto any items you have. There will be no fines associated with your library items during this period of closure.

Bill pay: We urge residents to pay bills using our online bill paying systems. Residents can also mail bills or utilize the drop box on the Third Street entrance of Government Center.

Information regarding the City of Fall River’s response to COVID-19 can be found on the City’s website at https://www.fallriverma.org/department/corona-virus-information/. The website is updated daily. Information can also be found on the City’s Facebook page.
